Dear Ted,

Please accept my appreciation for taking the time from your busy day to join me for the luncheon during my recent stop in Denver. For the past two years I have been meeting with small groups of business and civic leaders around the country for a frank exchange of views and ideas. I generally have come away from each of these gatherings with a feeling that I have gained more than the guests. This certainly was the case in Denver.

I enjoyed meeting you and trust that our paths will cross once again.

Yours,
